Dear Liam,

Thank you so much for your generous donation of Earth Shell plates and bowls for our May and June Family Dinner Nights at Future Leaders Institute Charter School in Harlem. At both events, we proudly acknowledged your gift and explained the unique nature of your products. We strive to make our plant based dinners as environmentally responsible as possible, so we are grateful to Earth Shell for helping us to achieve that goal.

Please take a look at our website - www.healthyschoolfood.org - to learn more about our programs and see pictures from the Family Dinner Nights. I look forward to speaking with you later in the summer about our plans for next year and ways in which we can continue to work together.

We appreciate all you do and thank you again for your support.

Sincerely,

Kelley Wind
Program Director
